The Declaration by the Conference Meeting of 1999 as to the exercise of powers under this Regulation by the Association and by its Branches is attached after the Regulation. This Declaration lists the powers exercisable by the branches of the Association.

NOTE:

The Australian Pipe Band Contest Regulation 2008 replaces the 2004 Regulation of the same name, incorporating amendments made since the previous issue [to 19th May 2008]. It takes effect on **1st November 2008**, (except rules B.1.13.02 & B.1.13.03, which are applied with immediate effect).

The Regulation is the successor to the Australian Pipe Band Contest Rules of the former Australian Federation of Pipe Band Associations. The present format was authorised at a meeting Brisbane in June 1979, and the drafting of the previous patchwork of rules into a uniform style and layout was begun on the journey back from that Brisbane meeting more than twenty-five years ago. The Rules in this format were adopted at a meeting in Hobart in 1981. Previously the Federation Rules applied only to national championships, or as adopted by State Associations, but from 1981 they became applicable to all Australian pipe band contests.

Where the assessing body is or becomes aware of any suggestion of trade involvement, involvement in loss or dishonesty by an applicant it shall report the circumstances to the Secretary seeking the advice of the Committee and the application shall not proceed without the express approval of the Committee which may grant or withhold it without being obliged to assign any reason therefor.

A Branch shall either refer an application for appointment as a Judge to the relevant division of the appropriate Branch of the College for assessment or maintain a Committee howsoever styled of persons on the relevant list of judges to make that assessment. The assessment shall consider the need to confine the membership of a List to persons regarded within the pipe band movement and the Association as being as being highly skilled and competent in the relevant area and of good character and reliable honesty in carrying out their functions if appointed, and shall take into account any involvement by way of trade or for profit in supplying goods to bands or individual musicians ["trade involvement"] and any information as to financial obligations to bands or involvement [whether direct or indirect] in financial losses suffered by bands ["involvement in loss"] or in established instances of dishonesty ["dishonesty"]. Where the assessing body is or becomes aware of any suggestion of trade involvement, involvement in loss or dishonesty by an applicant it shall report the circumstances to the Secretary seeking the advice of the Committee and the application shall not proceed without the express approval of the Committee which may grant or withhold it without being obliged to assign any reason therefor.

A.1.07.03 A person shall not be eligible for appointment to be a Judge unless holding at least the relevant Advanced Certificate of the College or its equivalent recognised by the College and having satisfactorily completed the College's Adjudicator's course and being a financial member of the Association, provided that a person not holding such a Certificate may be appointed in a temporary capacity for a specific contest.

A.1.07.04 A Branch shall also maintain a Reserve List of Judges of Piping, of Drumming and of Dress and Drill to which it may from time to time transfer any person from the relevant Active List of Judges to the relevant Reserve List: a Judge on the Reserve List shall hold the status of a Judge in all respects but shall not be eligible for rostering to adjudicate at any contest.

The Adjudication Committee, while retaining its unfettered discretion in any particular case, may from time to time issue guidelines in relation to that appropriate experience for the assistance of all concerned. The Adjudication Committee shall not be required to assign any reason for its decision in relation to any candidate.

A.1.09.05 The Adjudication Committee shall at each review of the Association Panels of Judges and Contest Supervisors consider as a candidate for appointment to those Panels each member of the Active List maintained by each Branch who is qualified under this Rule. The Adjudication Committee [by means of the appropriate Principal of the College] shall consult the relevant Vice-Principal of the College, prior to each such review, in relation to each candidate for or member of each Panel and take the advice so given into account in carrying out its review. The Adjudication Committee is to ensure that the persons appointed by it to each List are appropriate for the maintenance of the highest standards of probity and honesty in carrying out their duties.

A.1.09.06 The Adjudication Committee shall meet in such manner as it finds convenient.

A.3.03 MULTIPLE BANDS

A.3.03.01 This rule applies where a band desires to register more than one separate band ("contest band") in contest, and the Association is satisfied that there is a genuine nexus between those contest bands.

A.3.03.02 Each Contest Band must register bona fide players at least sufficient to form the minimum complement for the relevant grade set out in these Rules.

The Band Representative

A.3.06.02 A tutor registered pursuant to this clause may compete as well with the Grade 4 or Juvenile Grade band as with the other band with which the tutor is so registered.

A.3.06.03 A drumming tutor playing with a Grade 4 or Juvenile Grade band under the provisions of this clause shall not perform as leading snare drummer.

A.3.06.04 The provisions of clause A.3.01 shall apply to tutors registered as such under this clause.

Subject to Rule B.2.02, the Dress Inspection shall be a separate competition and not included in any aggregate result.

B.1.01.03 The several Contest Elements of any contest may be conducted separately (with separate draws for order of play pursuant to Rule B.1.06 if the Association so directs) in which case each band shall be allowed if possible at least one hour and in no case less than thirty minutes from the conclusion of its performance in one Contest Element before it is called upon to play in another.

B.1.01.04 If two Contest Circles are operating, then any two Contest Elements may be conducted consecutively, in which case a band competing in both shall be allowed at least ten minutes from the conclusion of its performance in the first before being called upon to play in the second, and during that time it shall be permitted to tune its instruments and alter its complement in an area designated by the Contest Supervisor.

B.1.02 COMPLEMENT

B.1.02.01 A band may include a Drum Major and as many pipers and drummers as it thinks fit, provided that a Band competing in Grade 1 shall include at least 8 pipers, 3 snare drummers, and 1 bass drummer, and in any other grade at least 6 pipers, 2 snare drummers and 1 bass drummer, and a band competing in the Quickstep or Display shall also include a Drum Major.

B.1.02.02 The complement of a band shall not be altered during a Contest Element, and for this purpose the Dress Inspection, if conducted after a Contest Element, shall be deemed to be part of that Contest Element.

B.1.02.03 The complement of a band may be altered from one Contest Element to another, and for this purpose players may be added to or withdrawn from a band for any particular Contest Element: when two Contest Elements are conducted together, the Band Representative shall obtain the approval of the Contest Supervisor for the arrangements for an alteration of complement between those Contest Elements, and the Contest Supervisor may authorise standard arrangements for alteration of complement at a contest.

B.1.02.04 A player competing with a band shall be either the Drum Major, a piper or a drummer and shall act in the accepted and traditional manner throughout the Contest Element. If any player does not comply with this paragraph the band shall be penalised 5% of the points allotted for the Contest Element, but Rule B.1.11.02 applies in relation to an Australian, State or Branch Pipe Band Championship.

B.1.02.05 If a player suffers an injury or illness so as to be unable to compete with a band strictly in accordance with these Rules in any respect, the Contest Supervisor may upon production of satisfactory evidence of such incapacity permit that player to compete with the band and shall notify the Dress and Drill Judges of his decision, and those Judges shall have regard to such injury or illness when judging that band.

B.1.03 SUBSTITUTES

B.1.03.01 If the Contest Supervisor is satisfied that the Drum Major or bass drummer of a band has become unable to compete with the band through accident or other misfortune, the Contest Supervisor shall select by ballot, after taking into account all relevant circumstances, a Drum Major or bass drummer (as the case requires) from those of the band's grade at that contest to play as substitute.

B.1.04.03 There shall be no deliberate alterations to uniform or equipment (or addition thereto or removal therefrom) during:

B.1.05.03 A band entering the contest late shall play before the first or after the last band so drawn, or, with the approval of the Association, in place of a band so drawn which has withdrawn from the contest.

B.1.05.04 The Contest Supervisor may for good cause suddenly and unforeseeably arising, or on the application of a band, vary the order of play so that the band shall play first or last in its grade or in an interval in the timetable.

B.1.06 ATTENDANCE AND LATENESS

B.1.06.01 An official shall call each band to the arena twice, the second call to be at least five minutes after the first. Calls shall be made on the arena.

B.1.06.02 A band not at the starting point on the arena and ready in all respects to proceed within five minutes after the second call shall forfeit five points, and a band not at that point and ready in all respects to proceed within ten minutes of the second call shall be disqualified unless the Contest Supervisor is satisfied that the lateness was caused by matters outside the band's control and should be excused, but Rule B.1.11.02 applies in relation to an Australian, State or Branch Pipe Band Championship.

B.1.06.03 A band entering for a contest shall appoint a Band Representative, endorsing the name on its entry form. Any change in this appointment shall be notified by the band to the Contest Supervisor as soon as possible on the day of the contest.

B.1.06.04 The Band Representative is responsible for the prompt attendance of the band and for liaison between the officials and the band.

B.1.10.01 Rule A.1.06 applies.

B.1.10.02 The Promoter shall roster, subject to the approval of the Association, the following:

The scorer shall take a first ranking as 1 point, a second ranking as 2 points and so on serially. The band with least points shall be the winner, and so on serially. Where a band would otherwise incur a points penalty:

--under Rules B.1.02.04, or B.1.06.02 one point shall be added to its total for each such penalty, and
