### Notes

**Pipe Bands Australia Policy** (Assessment & Accreditation, Paragraph 2)

Responsibility for the construction of an instrument of assessment or accreditation will lie with the Principal of the Division of the College to which the instrument of assessment pertains. In respect of Ensemble, the Principals of Piping and Drumming will be jointly responsible.

- A successful candidate will retain existing tenure on a list of music adjudicators.
- Ensemble Accreditation will be shown as an endorsement on such list(s).
- Pipe Bands Australia does not maintain a separate list of 'ensemble adjudicators'. This is consistent with practice in other Associations.
